

## VoiceThread Rubric

Each VoiceThread activity is worth a total of 10 points with a possibility of earning a maximum of 11 points. The following rubric will be used to assess your contributions in each VoiceThread activity. If you have a question about one of your scores, please reference this rubric. After doing so, contact me directly if you still have a question about your score.

Criteria	0 points	3 points	5 points	Score
Quantity of Comments	No comments are made by the due date on any of the slides with prompts.	One or more comments have been made in the format specified in the instructions (voice, video or text). The total number of required comments has not been met.	The total number of required comments have been made on the correct slides. Comments fulfill the format criteria (audio, voice, video) as specified in the instructions.	
Quality of Comments	There are no comments present by the due date to assess the quality.	One or more of the comments demonstrates redundancy and repetition of existing contributions.	All comments demonstrate evidence of one's unique interpretation, insight or understanding of the related prompts.
